

RADIOGRAPHY POST PROGRAM

MAMMOGRAPHY | MRI | CT

CT State Community College, Middlesex's Mammography, Computed Tomography (CT), and Magnetic Resonance Imaging (MRI) programs are designed to prepare certified Radiographers for immediate employment in the workplace in hospitals, clinics, and medical offices.

DESCRIPTION OF PROGRAMS AND LICENSURES

MAMMOGRAPHY

The Mammography Certificate program is a one-semester program for certified Radiographers interested in a career as a Mammographer. Following the successful completion of all Program requirements and obligations to the college, students are awarded a Certificate of Completion in Mammography and may sit for the professional Registry exam sponsored by the American Registry of Radiologic Technologists (ARRT). A minimum score of 75 on the national post-primary certification examination is required for national certification as a Mammographer.

MAGNETIC RESONANCE IMAGING (MRI)

The Magnetic Resonance Imaging (MRI) Certificate program is a two-semester program designed to prepare certified imaging professionals registered with the ARRT in Radiography, Nuclear Medicine (NMTCB is also accepted), Radiation Therapy, or Sonography (ARDMS is also accepted) for immediate employment in the workplace as MRI Technologists in hospitals, clinics, and medical offices. Following the successful completion of all Program requirements and obligations to the college, students are awarded a Certificate of Completion in Magnetic Resonance Imaging and may sit for the professional Registry exam sponsored by the American Registry of Radiologic Technologists (ARRT). A minimum score of 75 on the national post-primary certification examination is required.

COMPUTED TOMOGRAPHY (CT)

The Computed Tomography (CT) Certificate program is a two-semester program for certified Radiographers and Radiation Therapists interested in a career as a CT Technologist. Following the successful completion of all Program requirements and obligations to the college, students are awarded a Certificate of Completion in Computed Tomography and may sit for the professional Registry exam sponsored by the American Registry of Radiologic Technologists (ARRT). A minimum score of 75 on the national post-primary certification examination is required for national certification as a Computed Tomographer.

CAMPUSES OFFERING PROGRAM

Middlesex

ADMISSION INFORMATION

Selective Admissions

Application period Fall: **October 1 to June 1**

Application period Spring: **June 1 to October 1**

Program start date:

CT: **Fall semester**

MRI: **Fall semester**

Mammography: **Fall and Spring semesters**

HOW MANY STUDENTS ACCEPTED EACH YEAR APPROXIMATELY

6-12*

*There are six to twelve seats in each program.

PROGRAM OUTCOMES AND EMPLOYMENT

Please see the CT State website for the individual campus program outcome data:

ctstate.edu/radiography

U.S. Bureau of Labor Statistics Occupational Outlook Handbook: bls.gov/ooh

SELECTION PROCESS

All Radiographers who apply and provide a copy of their certification and state licensure will be given an interview.

THE FOLLOWING MUST BE COMPLETED BY THE APPLICATION DEADLINE DATE

Admission Requirement

CT, MRI, and Mammo	Copy of current State of Connecticut Radiographer license
Computed Tomography (CT)	Copy of current certification from ARRT or NMTCB
Magnetic Resonance Imaging (MRI)	Copy of current certification from ARRT or NMTCB or ARDMS
Mammography	Copy of current certification from ARRT
